MEMORANDUM

DATE September 17, 2009
TO GPAC Members
FROM Chad Markell
RE **Reviewing Environment & Sustainability Goals and Policies
for the General Plan Update**

Based on feedback received during the GPAC meeting #6, on August 26, 2009, Town staff and DC&E have prepared revised Environment & Sustainability Goals and Policy alternatives for the updated General Plan. The revised documents you will be reviewing include:

Glossary of Terms

The glossary of terms contains definitions of specific terminology that is used in the proposed General Plan policies relating to transportation, landscaping, energy, building construction and water conservation. Additionally, descriptions and links to specific programs and organizations that are mentioned in the policy alternatives are included in the glossary.

Revised Goals and Policy Alternatives

The policy alternatives have been reorganized under the appropriate existing or proposed goal to provide organization by topic. Additionally, the policy alternatives have been revised with necessary changes either requested by GPAC members or to improve clarity. These changes are shown in underline and ~~striketrough~~.
